SINGLES – Well, after a week at the top, **Delta Goodrem** has relinquished control back to the twins of sin t.A.T.u. with their debut *All The Things She Said*. **In-Grid** is the only new entry to the top 10 this week with the song *You Promised Me (Tu Es Foutu)* jumping up six places to sit at #8.

No.14 I BEGIN TO WONDER – **Dannii Minogue** **Dannii Minogue** follows up her recent success of the gold single *Put The Needle On It* (#11, Dec '02) with her latest chart success *I Begin To Wonder*. This track debuted at #2 on the UK charts with many asking is this finally her time to climb out of the shadow of that other **Minogue** who is mildly (get the tongue out of my cheek) successful as well. **Dannii** co-wrote this with **Henrik Korpi**, **Matthias Johansson** and **Karen Poole** and will be featured upon her new album *Neon Lights*.

No.19 LANDSLIDE – **Dixie Chicks** With over five million copies of their latest album *Home* (#11, Sept '02) being sold in the US it is fair to say that the **Dixie Chicks** are country superstars. Their first single from *Home* to be released in Australia is titled *Landslide* and is easily their most successful single so far. *Landslide* was written by none other than **Stevie Nicks**.

No.25 GOSSIP FOLKS – **Missy Elliott** After her first top 10 single success with her last single *Work It*, the queen of hip hop **Missy Elliott** has released *Gossip Folks*. This track features rap star **Ludacris** with the song featuring many women gossiping about **Missy** behind her back – only to have her give it right back.

No.28 STUCK – **Stacie Orrico** **Stacie Orrico** was discovered at the age of twelve when she entered a talent quest as a bit of a joke. She went on to win first prize and thus caught the eyes of A&R personnel. She then went on to perform as a support act for **Destiny's Child**. This is her debut single and will be featured on her self titled debut to be released later this month.

No.45 SYMPHONY IN X MAJOR – **Xzibit** feat **Dr Dre** **Xzibit** won many fans after his recent visit to our shores with the **Big Day Out** as well as achieving a top 40 single for *Multiply*. *Symphony In X Major* is the second single to be released from his ARIA top 10 album *Man Vs Machine*. The video is a Bond inspired clip directed by **Mr Hahn** from **Linkin Park**.

No.51 WAITIN' ON A SUNNY DAY – **Bruce Springsteen** Just after his successful tour with the **E-Street Band**, **The Boss** is back in the singles chart for the first time since 1997. *Waitin' On A Sunny Day* is actually the third single from the three time Grammy winning album *The Rising*, but is the first for Australia. In addition, Australia is the only country that has released this song as a single and is accompanied by a live video shot in Barcelona.

No.77 WHO'S YA DADDY? – **Gerling** Aussie electro-noise merchants **Gerling** have released their first material in over a year with this new EP titled *Who's Ya Daddy?* *Who's Ya Daddy* contains four extra tracks titled *Deepfryer (Ole!)*, *Computer Life*, *Community Control* and *Electro 4004*. **Gerling** had a hit with the dance fave *Dust Me Selecta*, which peaked at #5 on the ARIAnet dance charts back in August 2001.

No.92 MISS YOU – **Mirwais** **Mirwais Ahmadzai** may be familiar to some through his work with **Madonna** on her *Music* album which earned him three Grammy nominations. *Miss You* is a collaboration with **Craig Wedren** and will be easily recognizable as a tongue in cheek version of the **Rolling Stones** classic *Miss You*. Incidentally the **Rolling Stones** version was a top 10 hit back in 1978.

No.95 REGAINING UNCONSCIOUSNESS – **Nofx** *Regaining Unconsciousness* is described as a taster for what is to come in **Nofx's** forthcoming album *The War On Errorism*. This also marks the first occasion where **Nofx** have entered the top 100 in the ARIAnet singles chart. Four of the five tracks on this EP will be included in the new album which is due for release in May.

No.96 STING ME RED – **Who Da Funk** Do you all remember *Shiny Disco Balls*, the big club track that became a top 30 hit for the New Jersey dance meisters. Well this is the follow up to that hit which sees the boys (**Alex Alicea** and **Jorge Jaramillo**) team with a vocalist named **Terra Deva**

ALBUMS – Two huge debuts this week with the darling of Aussie pop coming up against the biggest act of 2001. Well the former won out this time with **Delta Goodrem** storming in at #1 with her debut album *Innocent Eyes*. **Linkin Park** also debuted strongly at #2 with *Meteora*, their follow up to the huge *Hybrid Theory* album of 2001. The *Chicago Soundtrack* jumped four places back in to the top 5 while **Placebo** were very unlucky not to get into the top 10 with the debut of their latest album *Sleeping With Ghosts*.

No.1 INNOCENT EYES – **Delta Goodrem** Wasting no time in claiming the #1 position, **Delta Goodrem** continues her incredible run of success. At only 18 **Delta** already has 2 #1 singles and now a #1 album under her belt. Not only is **Delta** dominating the Albums chart this week, but she's also making her mark in the ARIA Singles chart, with *Lost Without You* at #2, and *Born To Try* at #26. **Delta** wrote or co-wrote nearly all the tracks, and worked with the likes of **Ric Wake** (the producer who has worked with **Celine Dion**, **Jennifer Lopez** and **Mariah Carey**), **David Nicholas** (**INXS**, **Elton John**, **George**), and one time member of **Take That**, **Gary Barlow** to produce her debut album.

No.2 METEORA – **Linkin Park** Narrowly missing out on the top spot, **Linkin Park's** sophomore album, *Meteora*, makes its debut at #2. **Linkin Park** continue their huge success after their debut album *Hybrid Theory* went 4 x Platinum, and reached a high point of #2, and spawned 5 singles, including the top 5 hits, *One Step Closer* & *In The End*. The first single from *Meteora*, *Somewhere I Belong* debuted at #16 last week, and is sitting at #18 this week.

No.11 SLEEPING WITH GHOSTS – **Placebo** UK trio **Placebo** was born out of a band called "Ashtray Heart", which consisted of **Brian Molko** and **Stefan Olsdal** and was formed in 1994, since then **Placebo** have gained a drummer (**Steven Hewitt**), and released 4 albums, the latest one being *Sleeping With Ghosts*, which makes a strong debut this week at #11. **Placebo** first made an impression on the ARIA charts back in 1999 when, *Without You I'm Nothing* reached a high point of #14 and went platinum, and later in 2000, *Black Market Music* made the Top 10 and Gold status. Produced by **Jim Abbiss** (**The Music**, **UNKLE** & **DJ Shadow**), *Sleeping With Ghosts* features their current single *The Bitter End*.

No.47 DAMNATION AND A DAY – **Cradle Of Filth** Unleashing their own brand of British black metal this week are **Cradle Of Filth**, with *Damnation And A Day* marks the **Cradles** highest ever ARIA albums chart position. *Damnation And A Day* was co-produced and engineered by **Doug Cook** and mixed by **Scrap 60 Productions** (**Anthrax**, **36 Crazyfists**, **Dry Kill Logic**).

No.71 REASON – **Melanie C** The Sporty Spice, **Melanie C** releases the follow up album to her 1999 solo debut *Northern Star* (HP #32). **Melanie** called on an array of industry heavy weights to collaborate with her on *Reason*, such as **Gregg Alexander** (**New Radicals**, **Ronan Keating**), **Marius De Vries** (**Madonna**), & **Matt Rowe**, (writer of the **Spice Girl's** 'Wannabe'). The first single from *Reason*, *'Here It Comes Again'* made its debut on the ARIA singles chart in mid march at number 49.

No.72 CAFÉ DE FLORE - Various Comprising of 22 light and romantic songs, by everyone from **Brigitte Bardot**, **Legrand/Mouskouri**, **Nicoletta**, **Eartha Kitt**, **Nina Simone**, **Nico**. Also featured are a few newcomers such as **Diana Krall**, **Buenaventura** and **Paris Combo**.

No.79 CRADLE TO THE GRAVE - Soundtrack Starring **Jet Li**, **DMX**, **Anthony Anderson** and **Tom Arnold**, *Cradle 2 the Grave* is not only the most anticipated hip hop action movie of 2003, but it's soundtrack also features some heavy weight Hip Hop artists, including **Eminem**, **50 Cent**, **Fat Joe** and **DMX**. *Cradle 2 The Grave* is in cinemas now.

No.85 SLOW MOTION DAYDREAM - **Everclear** **Art Alexakis**, **Craig Montoya** & **Greg Eklund** (aka **Everclear**) hit the #85 spot this week with their sixth album, *Slow Motion Daydream*. **Everclear** hit big time on the ARIA charts back in 1996, with *Sparkle And Fade*, which reached a high point of #9, went Platinum, and spent more than a year in the Top 100! **Everclear's** current single, *Volvo Driving Soccer Mom*, is featured on *Slow Motion Daydream*, which was produced by **Art Alexakis** and **Lars Fox**.

for this trance flavoured dance track.

This week's No. 1 Single is....
